## OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 8 December 1964

25X1 1. [redacted] Checked with Senator Milton Young's office and learned that he returns to Washington Thursday night and I will contact him early Friday morning to see if arrangements can be made for him to meet with Agency officials after his trip abroad.

25X1 2. [redacted] Talked with Mrs. Bull in Congressman Mendel Rivers' office who indicated that as of now it looked extremely doubtful if Mr. Rivers would return to Washington before Christmas. It was also learned from another source that Mr. Rivers has already given some thought to the problem of chairing the CIA Subcommittee in view of his plans for the next Congress. It appears highly desirable that the Agency discuss this topic with him at an early date.

25X1 3. [redacted] Talked with Representative Wright Patman concerning possible [redacted] These discussions ended with Mr. Patman requesting that no action be taken. See detailed memorandum for the record.
